

## ***Achieving Your Potential as a Leader***

### **Overview:**

To what extent is leadership based on position? This powerful program provides a very clear road-map for how you can go well beyond the limitations of a leadership title to make a lasting positive impact and achieve your potential.

In this program, you will learn how you can avoid the type of problems which derail many leaders once they achieve a certain level of success. Most significantly, however, you will learn how to flourish as a leader, creating in others the capacity to multiply your effectiveness across many domains.

### **Duration: 2 Days**

### **Target Audience:**

- Executive / General Management
- Group Managers
- Team leaders

### **Topics:**

- *The stages of progression from new leader to top leader*
- *Characteristics of top leaders*
- *Moving from where you are to where you want to be*
- *Leveraging your natural strengths*
- *Avoiding typical leadership derailers*
- *Building your reputation as a top leader*
- *Leaving a legacy*

### **Additional Information:**
